Council district and planning area data sheets by Sam Valdez Land use mapping by Wesley DeWitt

August 2013

This research was commissioned by the City of Los Angeles Workforce Investment Board and the City of Los Angeles Economic and Workforce Development Department.

The LAEDC Economic and Policy Analysis Group offers objective economic and policy research for public agencies and private firms. The group focuses on economic impact studies, regional industry analyses, economic forecasts and issue studies, particularly in workforce development, transportation, infrastructure and environmental policy.

Every reasonable effort has been made to ensure that the data contained herein reflect the most accurate and timely information possible and they are believed to be reliable.

The report is provided solely for informational purposes and is not to be construed as providing advice, recommendations, endorsements, representations or warranties of any kind whatsoever.
