Celebrating economic
development leadership
in business, education,
and government

ABOUT THE EDDY AWARDS:

The Eddy Awards is a cocktail reception, dinner, and awards gala to support fulfillment of the LAEDC's mission to attract, retain, and grow businesses and jobs for the regions of Los Angeles County. The Awards were introduced by the LAEDC in 1996 to celebrate individuals, organizations, and educational institutions that demonstrate exceptional contributions to positive economic development in the region. We are also pleased to present the 2016 Most Business Friendly City in Los Angeles County Award. The winning cities of this award will be announced live at the event.

ABOUT THE LAEDC:

As the Southern California region's premier economic development organization, the LAEDC provides collaborative, innovative and strategic economic development leadership to promote a globally competitive, prosperous and growing L.A. County economy to improve the health and wellbeing of our residents and communities and enable those residents to meet their basic human need for a job. We achieve this through objective economic research and analysis, strategic assistance to government and business, and targeted public policy. Our efforts are guided and supported by the expertise and counsel of our business, government and education members and partners.

OUR GUESTS:

More than 600 of the region's leading business, government, civic, and education leaders attend this annual event.
