The new home of ASU in downtown LA

ASU California Center

11th Street and Broadway

The nation's most innovative university has a new home in the heart of its most vibrant city. Arizona State University is a vital partner to global organizations, including adidas, Mayo Clinic and Starbucks, helping to advance their research, education and business goals in the U.S. and around the world.

Our robust California portfolio and presence in downtown Los Angeles reflect our efforts to shape stronger communities and economic development through higher education and partnerships that inspire creativity, problem-solving and business ventures.
