Pilot Project Support Letters and Poll:

- The Governor's Office of Planning and Research released a solicitation for proposals for **Economic Development Pilot Projects**. Applicants are required to submit proposals no later than February 13, 2023, by 3:00 p.m. PT. Multiple LA County HRTC partners are submitting pilot projects, and many have also decided to collaborate as a result of the meeting we convened on Friday January 30th at 11am. General letters of support from the LA County HRTC could strengthen all proposals.
- HRTC partners were polled to see if there is a consensus to process a unified letter of support for all pilot projects coming from LA County HRTC partners.
- Poll Results:
 - Question: Given LAEDC's position as the Regional Convener for all LA HRTC partners, it's important that we remain neutral with recommendations for any specific HRTC entity. Therefore, we're proposing that all LA HRTC Partners vote if LAEDC should create one unified letter of support on behalf of the LA HRTC partners for all pilot projects. Do you support LAEDC processing 1 unified letter of support for all pilot projects?
 - Yes – 59/72 82%
 - No – 13/72 18%
- Organizations that have fully onboarded to the HRTC and are looking to receive a letter of support from the LA HRTC and/or LAEDC were asked to email: CERF@LAEDC.ORG.
