Outreach and Engagement Jam Board Activity

The Outreach and Engagement Committee is seeking feedback from our HRTC members to:

1. Identify groups that may lack sufficient representation within the HRTC.
2. Provide suggestions for refining the Affinity Hub Eligibility Criteria.

Recap: 12 Affinity Hub Leads will receive $50K grants to facilitate regular conversations within their respective affinity areas, respond to data analysis, identify community needs, share information with other community/business/industry cluster tables, provide capacity-building resources for community participation, and gather feedback and decisions from community members across Affinity and Subregional Tables. Their primary focus will be to facilitate the flow of information regarding HRTC priorities between stakeholders and the Steering Committee.

In the Jamboard, additionally, provide your valuable feedback regarding the eligibility criteria for individuals seeking to apply for an Affinity Hub Lead grant.
